**“A big THANK YOU to those of you that attended our first show at this location last year. Bennington has a small town atmosphere with a unique downtown layout that was updated in 2008. The 124 vehicles that attended were double the number our club had expected with many unique cars that had not appeared in shows for many years. Now that the downtown area is completed, we can accept up to 200 vehicles in 2009. There will be additional businesses involved with the planning and open on the day of the show.” – MECC President, Jack Urban**
